That's okay. 13 Q. I'm not asking you as a legal expert. 13 Q. Look back, Rusty, at Plaintiff's 14 I'm just asking you if you've been trained on 14 Exhibit 27, this chart we've been talking about. 15 that while you've been at Truist? 15 It's right there. I think it's under your phone, 16 16 MS. BARLOTTA: If you've been trained sweetie. 17 17 on that, it would be wrong, because that's not a A. Okay. 18 correct statement of the law. - employee in the department is getting paid?
 - A. Occasionally, I might, but the
- 4 payroll per team wouldn't come to me necessarily.
- 5 But not as a matter of course, I wouldn't, no.
 - Q. But you -- and correct me if I'm
- 7 wrong on this, but I thought you said, Rusty,
- 8 that Mr. Cadden was the one that approved pay.
- 9 A. He is the one that distributes bonus
- 10 calculations from accounting when it's time. He
- 11 doesn't -- he doesn't necessarily approve. If
- 12 you're saying approve like the pay that they're

- Q. Salary. Like who approves their
- 15 hourly or salary?
 - MS. BARLOTTA: Object to form.
- A. Okay. So you mean who approves it
- when they're hired? Is that what you're saying?
- 19 Q. Right. Who determines what amount
- 20 they're going to get paid? Not bonus but, you
- 21 know, basic.
- 22 A. Basic salary?
- 23 Q. Yes.
 - A. Okay. So that would -- a position
 - requisition form would be completed for a new
- 3 hire. That form would go to John Cadden as
- 4 office president, and then that position
- 5 requisition form, that would include the
- 6 suggested salary that's usually a range, would
- 7 then go to Brent Tredway, and he would ultimately
- 8 provide approval for that position or that pay.
- 9 Q. And do you see those forms before
- 10 Cadden and Tredway see them?
- 11 A. Sometimes, if -- sometimes. Not
- 12 every time, no.
- Q. And if somebody goes from an account
- 14 executive to a broker, is there that form also
- 15 filled out to change their pay that Mr. Cadden
- and Mr. Tredway have to review?
- 17 A. If it's someone in an existing
- 18 position, it's normally -- it can be in the form
- 19 of an e-mail request that would get distributed
- on at that point. And if it's approved, and then
- 21 that task would appear in our payday task, if you
- will, to approve it once it gets approved.
- Q. Okay. And do you see those e-mails

- if it's, you know, so-and-so has moved into this
- 2 position, here's what I want to pay them? Do you
- 3 get copied on those e-mails?
 - A. Sometimes the team leads will copy
- 5 me, but not every time. But sometimes.
 - Q. This Exhibit 27 has salaries or it
- 7 says compensation listed on the right-hand side.
- 8 Let's just -- for any of these people that were
- 9 actually on your team, did you have input in what
- 10 they would be paid?
 - A. For my direct team, yes.
 - (Whereupon, a discussion off the
- 13 record was held.)
- Q. (BY MS. WILKINSON:) So, for example,
- 15 looking at Plaintiff's Exhibit 27, Ross
- 16 Robertson, when he was an account executive, was
- paid sixty-two five a year. Did you have any
- 18 input in that?
- 19 **A. I did.**
- Q. Okay. And were you the one that
- 21 suggested he be paid sixty-two five?
 - A. I can't remember if that's his
 - initial starting salary. I don't remember that,

Page 200

- because he came from outside of the insurance
 - 2 business. He was in a sales role.
 - 3 But yes, I would have ultimately
 - 4 suggested that salary. And it may have been
 - 5 based on what he was making. I'm not entirely
 - 6 sure.
 - 7 Q. When you determined what Rusty [sic]
 - 8 Robertson would make as an account executive, did
 - 9 you go back and look what other account
 - 10 executives were making?
 - MS. BARLOTTA: Object to form.
 - 12 A. Try to keep it level on my direct
 - 13 team per person, yeah, close.
 - tourn per person, your, olose.
 - Q. Why is it important to keep that

11

16

- MS. BARLOTTA: Object to form.
- A. Just to make sure that we're keeping

- Q. What about keeping it level so that
- 21 men and women are paid comparably? Is that
- 22 important?

Usually for my direct team -bonuses are discussed with team leads or if team 13 and most teams are the same. There are -- it's by different 5 entered, but a sheet that talked about how you 5 revenue bands. Is that what you mean? 6 calculate bonuses, the percentage. 6 Q. Like is there a policy about how much 7 MS. BARLOTTA: Object to form. 7 and the percentage and how much you can get if A. This is exactly what everyone you're a broker? Because it's my understanding 8 8 9 receives to my knowledge. 9 there's a document that says, Here's how -- the 10 Q. Okay. Let me see if I can A. Yeah. 13 find it in my notes from his depo. 13 Q. And here's how you calculate it. So 14 He talked about there is a sheet that 14 is there a document or something written 15 lists how you calculate the -- the bonus scale is 15 somewhere that says, This is how you calculate 16 what he called it. He said it's a paper copy, the percentages, go from this to this for a 16 17 and everyone had a copy. Do you know what he's 17 broker? 18 18 talking about? I've just always known it. I don't 19 A. I don't have a paper copy of any sort 19 know where that document exists. I'm sure it 20 might. 2.0 of bonus. 21 MS. BARLOTTA: Are you talking about 21 Q. What do you know it to be? 22 the formula that he --22 Α. The different -- the different 23 Q. Yeah, he's talking about the formula, 23 revenue bands for production. So there's zero to Page 218 Page 220 not actual numbers. 1 1 -- is that what you mean, the percentages by 2 MS. BARLOTTA: The formula that talks 2 revenue? Is that what we're asking? 3 about what the pot of money that each broker had. 3 Q. What are the percentages that a I think that's what -- I could be wrong, but I broker can get? 4 5 think that may be --5 A. Yeah. 6 Q. He said there was just a standard 6 Q. Because I know what he testified to. 7 scale sheet that talked about the formula, not 7 I just want to know what -about a specific bonus for each person, but the 8 A. Yeah. 9 9 formula on how you calculated it once you had the Q. -- you understand the scale or that 10 pot of money to be distributed. 10 vou can calculate. 11 11 A. You're talking about the percentage A. Yeah. So there's zero to four 12 from the actual revenue what the percentage is, 12 hundred thousand in revenue is twenty-five 13 how it's calculated? 13 percent. 14 Q. Right. 14 Q. Okay. 15 A. I don't know. I don't know where 15 A. That's the money available for that 16 that document is. I don't. 16 team, zero to four hundred thousand. 17 17 Q. Have you seen it? What if you go over four hundred? 18 A. I don't know a hard document of that. 18 A. And so I'll try to lay it out for you. So over four hundred thousand, and I don't 19 It's always on this calculation right here. It 19 20 shows -- I can't hardly read that, but this is --20 have this in front of me, but I'm -- but over 21 four hundred thousand, four hundred thousand to Q. Q. These are some documents we received

Q. Oh, back up.

16 MS. WILKINSON: Thank you, Leslie.

17 A. Okay.

Q. (BY MS. WILKINSON:) It looks like he

applied 9/7/2018. Truitt was the hiring manager. 19

20 Do you know anything about this?

may have been copied on a position requisition

11 Q. Was he a new hire?

A. He was a new hire.

This indicates inside broker, though,

Does it? Okay.

16 Q. Do you see where it says at the top,

17 it says, inside broker field, the very top, that

A. Oh, okay. Yeah. Okay.

20 Q. And was this position posted? Do you

21 know?

22 A. I don't recall if it was posted or

23 not. I'm assuming that it was.

You would have supervised Truitt

Taylor, though, right, as the department head?

Yes.

4 Q. Okay. It looks like the website

lists him as an associate broker. Is he an

inside broker or an associate broker? Morgan?

A. It would be an inside broker. I'm

not sure what the -- is that our corporate CRC 8

A. Yeah. I'm not sure why this says

13 can't speak to that. That's --

Q. What do you understand that his job

15 duties are? Is he performing the duties of an

16 inside broker or an associate broker?

17 A. He would be more classified as an

18 inside broker. He is charged with doing some

19 traveling and growing a book of business within

20 the book, within Truitt's book.

21 And he just recently made several
